

Private Parties: 2022

The easiest party you'll ever plan!

Let us help you plan a fun jewelry-making party with your friends, family, or co-workers!

- Beading parties are less expensive than dinner out, and they're fun and social. Make a handmade gift for you or someone special.
- Make your outing a party, and bring snacks and beverages (adult beverages ok too!).
- When your group arrives, our staff will walk your group through the process of selecting the handmade project, beads, cords, and findings.
- We provide seating at the Gem Bar, your class instructor, and use of our tools.
- Visit our website aworldofbeads.com and click on project ideas. This will help guide you on the many beading projects/techniques. Your group can select from 1000s of beads, however time only permits the teaching of one or two techniques.

Pricing

- The price is \$28.00 per person for a two-hour party. This includes one instructor and \$20 in project supplies of your choice. Pricing is based on a group size of a minimum of five to a maximum of eight at the Gem Bar. Additional seating is available at small tables.
- Should you choose, our staff will help you stay within a \$20 supply budget. You are welcome to come in prior to class date to select project supplies.
- Anyone choosing to go over the \$20 project budget will simply be charged the additional at checkout.
- If the group organizer is paying the \$140.00 deposit for five attendees, we can refund the organizer and then charge each person the day of the class.
- Class and party fee of \$28.00 per person is due 48 hours before the party. We schedule your instructor at this time and can't refund within 48 hours of class date. Attendees who can't make it at the last minute will receive their \$20 in supplies.

Cancellation Policy

- Classes may be cancelled with a 48-hour notice. You may cancel individuals (over five) or your class for full refund (\$28.00) on or before these 48 hours (two days prior to class date).
